A note from the Staff:
It's getting cooler outside..... Fall is here!! It is time to carve pumpkins, drink apple cider, watch the leaves change, and go on hayrides. Now that it is cool outside, you and your child can cuddle up and read your HIPPY books! What a great time for HIPPY to begin! We have some wonderful activities and meetings planned for you this fall! Thank you again for choosing to be a part of this wonderful program and for taking time each day to work with your child. It is our goal for each family to excel in this program. Let us know how we can better serve you!
